

CytoScience SMR Fluorescence Microscope

Technology Breakthrough

Low Cost

Tough, Dust & Waterproof

Low Maintenance

Life-Long Illuminator

High Quality - High Resolution

Easy to Use

Battery powered

P. falciparum stained with acridine orange combined with the transmission image

Portable

Patent Pending

**Diagnosis
Pathology
Microbiology
Parasitology
Virology**

**Field Hospitals
General Practice
Student Training
Schools**

E.coli stained with Syto Green (live cells) and propidium iodide (red-dead)
